ONE STEP FROM HEAVEN

SEASON 5

In the small village of San Candido, a slice of Heaven set in the wonderful mountains of Northern Italy, the Police and the Forestry Police investigate together.

In the fifth season Francesco, commander of the Forestry Corps, seems to have found a way to balance his emotional wounds with his will to build a new life. The future finally looks bright for him, especially when Emma returns to San Candido after a year of absence. But has she come back for him or for Albert Kroess, Deva's spiritual leader, who was imprisoned at the end of season 4?

Kroess' arrest marks the dissolution of Deva, but a new and disturbing secret that threatens Francesco's peace of mind emerges from the sect's ashes. Kroess' right-hand man, just before he dies, tells Francesco that he has a son that has always been kept secret from him. Francesco now searches desperately for the boy, with the help of Vincenzo, the chief of police.

The search for the commander's secret son leads the Francesco and Vincenzo to discover a terrible human trafficking case that involves illegal immigrants and to prevent the formation of a Neo-Nazi community...
