Don Matteo 10

Don Matteo is a unique priest and an extraordinary detective. Riding his bike through the breathtaking hills of Umbria, he really cannot stay out of troubles. His profound knowledge of the human soul guides him through the crooked meanders of crime.

With a sharp eye and a disarming smile, Don Matteo brings the truth to light, never forgetting to leave a message of hope and optimism.

He is flanked in his investigations by an exhilarating pair of Carabinieri and by a fun group of friends at the rectory.

Featuring the family-comedy international star Terence Hill, Don Matteo has been, for more than 15 years, the #1 TV Series in Italy. Don Matteo 10 debuted with 35,4% TV share and 10,5 million viewers.
